PROFILE

Describe yourself, your career and ambitions in a few sentences

I am a hardworking and dynamic individual who is passionate about farming and high welfare. I have recently completed an Agricultural qualification and have gained knowledge in farm management, livestock production and how to care for farm animals.

I also have completed work experience on a pig farm, during lambing season and as a farm assistant where I worked with arable.

I am looking to enter the pig industry and hope to gain new skills.

WORK EXPERIENCE

Most recent first

Include all experience in bullet-points
